The regular meeting of the Mid-States Antique Tractor and Engine club was held April 8, 2021, at Memory Lane Museum in Weeping Water, with 16 members present. The treasurer's report was read and approved.

#### **Old Business**

This year's raffle tractor will be a 1955 AC WD-45. Doug is working on the tractor. He has the frame painted. Looks great! Thanks Doug!

There was continued discussion on modification to the big sled to be able to add weight for heavier tractors. It was made mention to add a bar to be able to add suitcase weights when needed. Dave and Nick will take a look when the weather warms up.

There is currently no water on the grounds. We will need to fix the hydrant by the baker's fan when weather cooperates.
