### **Meeting Minutes September 9, 2021**

The regular meeting of the Mid-States Antique Tractor and Engine club was held September 9, 2021, at Showground, with 12 members present. The treasurer’s report was read and approved.

### **Old Business**

A fall work day is needed to fill holes around the showground with dirt from tree stumps being ground off. Dirt work needs to be completed for the driveway and down by the gate to help with water drainage, and provide new rock once completed.

We will look into making sure all power poles for the food vendor and camping are up-to-date, and possibility of adding a couple more spots for camping.

Dave will bring down the bleacher stands in the spring.

The raffle tractor will be an Oliver Super 88. It needs tires 18.4 x 34.

**New Business**

Rocco mentioned the Harvest Pull in Plattsmouth is good to go. Will need to remember to touch base with the school each time we use their property, to complete the Facility Use Agreement with the School.

Clarence has another box of trophies to donate that can be reused.

Wendell made a motion to adjourn and Rocco seconded. All in favor.

**The October meeting will be Sunday, October 3, 2021, 12 pm on the Showgrounds.**

Respectfully submitted,  
Nick Heitman, Secretary
