Cass County Fair Pull (located at the fairgrounds)--Saturday, August 13 @ 10 am

Harvest Pull--Sunday, September 18

### **Mid-States meeting minutes.**

The regular meeting of the Mid-States Antique Tractor and Engine club was held Thursday, May 12 at the showground. There were 15 members present. The treasurer’s report was read and approved.

### **Old Business.**

We still need to get prices for the picnic tables and chairs. The wood for the bleachers will be obtained by Dave Scholl. A pivot pipe will be installed on the bleachers to make it so they can be easily moved around the grounds.

Ashley will be checking more on the speakers. We are still waiting to hear back from the speaker people.

The dirt work is done.

### **New Business.**

Dave asked about trophy sponsors and pull sponsors. Copple Chevrolet has donated money for trophies for the Cass County Fair. Ashley said we will use up old trophies for the Sunday pull. Ashley also gave an update on the pull sponsors. Nick had an idea of implementing a pull points system to attract pullers with prizes at the end of the season.

Carol asked about changing the route of the tractor drive on the Friday night before the show. She would like to drive through Mahoney State Park.

On the raffle tractor this year. It is an Oliver 77. Dave has changed the fluids on the tractor and cleaned it up a bit. He ordered new gauges and alternator. He is waiting on them to come in. He has the side curtains as well. Dave has a friend

who has a paint booth to paint the tractor in. It has a new manifold and new front tires. He has cleaned the carb up, did a full tune up and gave it a new steering wheel. Dave will look into getting the paint for the tractor donated.

The Lions club is booked for the show. Rocco asked if we want to use them for some of the pulls. Nick asked about maybe getting some food trucks out during the pulls.

At the Memorial Pull the club will have hotdogs, water and chips.

A pedal tractor was donated for the kids to use in the pedal tractor area.

A motion and second was made to adjourn the meeting.

The next meeting will be Thursday, June 9, 2022 and the showground.

Respectfully submitted  
Andrew Kean  
Secretary
