Old Business

The new tires are on the sled. The Cass County pull is Saturday at 10 am.

New Business

Show Breakdown: Saturdays gate attendance at the show totaled \$550 and Sundays was \$300. The donated Oliver Super 88 tractor was sold at the show for \$650. The total bill for the raffle tractor and lumber for new bleachers to Dave Scholl was \$2,739. Carol has a detailed report on the show if needed to be looked at. Carol said we have some shirts left from the show so please talk to her if you would like some. Some feedback from visitors to the show was that they had heard about it through Facebook. The speakers at the show worked well. All the time and effort are much appreciated that went into putting on the show! Thank you!

The Sled is ready to go for the Cass County pull. Rocko is hauling the small sled over. Nick is hauling the big sled and Ashley is pulling the scale over. Ashley is getting the trophies.

Clarence talked about a John Deere A that is for sale down the road that could be used as a raffle tractor next year. He said it sounds pretty good. It’s a late 1952 model. It will be looked at.

Please think about the feature tractor for next year.

Rocko has someone who is willing to donate a balance beam in exchange for a corn sheller we have. It was determined that he can come and get both shellers and he can keep the balance beam.

Carol asked what the date of the show will be next year. It will be July 29th and 30th, 2023. Carol will set up the route for the tractor ride next year to go through Mahoney State Park again.

Ashley is looking for show buttons that she is missing to form a complete collection. The years 2005 – 2013 and 2016. Please reach out to her if you have any you would part with.

There was some question regarding King of the Hill at tractor pulls. A motion was made that there is no King of the Hill at the show, suite case weights are allowed, and 1 hook only with the garden tractors. A \$10 hook fee across the board. Motion carried. The first was by Clarence and second by Dave.

A motion was made by Dave and second by Bob to allow radial tires, motion carried.

Nick talked about the fans that are on the showgrounds. They will be moved to the north side of the Heitman's property.

A member is looking for a John Deere B, it was stated that some are for sale nearby.

A message from the President. Dave wants to send out a big thank you to all over everything that was done for the show. Everything went well and it is much appreciated!

First by Wendell and second by Doug to adjourn the meeting.

Our next meeting will be Thursday September 8th, 2022, at the show grounds.

Respectfully submitted
