The regular meeting of the Mid-States Antique tractor and engine club was held Thursday, September 8, 2022, at the showgrounds. There were 19 members present. The treasurer’s report was read and approved.

### **Old Business**

Harvest Festival Pull is the last official tractor pull of the year, Sunday, September 18 at 12. Club will provide food for the pull.

The gentleman that would like the corn shellers will come get them after the pulls are complete. Nick will get them pulled out for him to load.

Continuing to look for a “ready to go” raffle tractor for next year. It does not have to align with the feature tractor.

### **New Business**

The show dates for the 44<sup>th</sup> annual show will be July 29 & 30, and the feature tractor will be Minneapolis Moline.

Discussion continues for the big sled maintenance and upgrades, regarding the cable and adding additional weights.

Fall Fun Pull, for members only, will be Sunday, October 9 at 12. We will have clean-up in the morning, around 9, and plans are to cut a few more trees that were damaged from the storm. Following clean-up will be lunch at 12 noon, a short business meeting with election of President, Vice-President, and Board of Director, and then pull. After the completion of the pull, we will need to winterize and put away equipment for the winter.

First by Wendell and second by Rocco to adjourn the meeting.

**Our next meeting will be Sunday, October 9, 2022, at the showground's at noon.**

Respectfully submitted
