The regular meeting of the Mid-States Antique Tractor and Engine Club was held Sunday, October 8, 2022, at the Showground. There were 30 members present. The treasurer’s report was read and approved.

Old Business

Dave states that we have a plan for the sled. We will get heavier springs for the cables. Make a stop for the cable to not allow it to unwind from the drum. Dave would appreciate any input in the project.

Thanks was expressed for the help at the workday before the meeting and the work being done after.

Also, Dave expressed thanks to all the members for the efforts put into this year.

The show days for next year are July 28, 29 and 30, 2023.

New Business

Election of President, Vice President and Board Member.

President – Rocco – Nominated and accepted. It was a unanimous vote in favor of Rocco being the next President.

Vice President – Ashley – Nominated and accepted. It was a unanimous vote in favor of Ashley being the next Vice President.

Board Member – Nick and Eric were nominated. Nick did not accept the nomination. Eric was voted in unanimously.

Congratulations to our new Officers and Board Member!

Dave has the tractor pull results from this summer's pull. Per class the winners will receive tumblers, and the overall winners will receive jackets. There was a motion to award the winners with the tumblers and jackets. First by Nick and second by Rocco. Motion carried.

Dillon is talking to the Isles Pizza in Havelock to maybe do the Christmas Party there.

Nick says that the barn on the showground needs some attention on the west roof. There are rotting boards.

Work will be done to pull the fence down around the baker fan.

A big thanks to Dan for bringing his skid loader for the workday.

Ashley says the tractor pulls went very well this year. She stated that we should put together a list on where the pulls will be next year. Discussion was at the showground, some of the surrounding county fairs will be looked into as well. Food at the pulls is making good money for the club. The consensus at the meeting is that the pulls are working well having them at the showground.

One of the corn shellers had been picked up and one is still at the showground.

A first by Josie and second by Ted to adjourn the meeting. Motion carried.

Our next meeting will be Thursday, January 12, 2023 at the Memory Lane Museum in Weeping Water at 7 pm

Respectfully submitted
