The regular meeting of the Mid-States Antique Tractor and Engine club was held Thursday, April 13, 2023, at the show grounds. There were 21 members present. The treasurer’s report was read and approved.

Old Business

The new Rules discussion was talked about and there was a question about three points, Dave said that three points and fast hitches must be locked out. It was asked about how to hook the sled to three points and Nick said what would have to be used is like what’s on the back of the Ford raffle tractor. A bar that goes between the eyes of the three-point.

Wendel donated three fire extinguishers. Thank you! It was asked about at a previous meeting to have some on hand in case of emergency. They will be stored at the show grounds and stay with the equipment when taken to offsite pulls.

Rocco said he spoke with Scott Sparks and he will be out to grind the tree stumps.

Nick said that Gary Stander will bring out rock to put on the driveway next week.

Nick also said that an electrician came out and cleaned up the power pole and installed 110 outlets on another pole. A 30-amp box will be installed for the food stand and that opens up two more locations for campers.

Nick said that the tree pile has been cleaned up. A lot of the work was done over the winter months. Harvey has hauled a lot of the larger wood out.

Carol and Judy are still working on the quilt.

New Business

Nick said that Bruce planted oats this week for harvest for the show.

Ashley sent out the scholarship information but didn't get any applicants.

The raffle tractor tickets will be available at the next meeting and Ashley will have flyers available as well.

Rocco asked about Megan at the Cass county fair, Ashley said that the pull will be at 9am on Saturday.

Ashley talked about getting sponsors for the pulls. If anyone would like to sponsor or know of someone to let her know.

Eric said that he and Dave will get measurements tonight for plates for the pulling sled.

Notice – There is an Auction coming up for a Mr. Gene Oltman that has blacksmith items.

Rocco asked about looking at the announcers stand this evening. Rocco also fixed the door latch on the shed.

Dave stated that he will purchase two 2 x 10 boards to put on the bleachers.

Motion by Wendel and second by Clarence to close the meeting. Motion carried. Our next meeting will be at 7pm Thursday, May 11, 2023, at the show grounds.

Respectfully Submitted,

Andrew Kean, Secretary
