The regular meeting of the Mid-States Antique Tractor and Engine Club was held Thursday, June 11, 2026, at the Showgrounds. There were 13 members present. The treasurer’s report was read, and approved.

Old Business

Memorial Pull had a great turn out with 75 hooks. Thank you all for the patience in getting the track ready after a little morning rain. Thank you to Clarence for prepping the track.

New Business

Please let Ashley know if you or a business is interested in being a sled or trophy sponsor for the 2026 pulling season. Still need a trophy sponsor for the Harvest Pull. Thank you to all who have sponsored this year.

Members need to educate themselves on all tractor pull rules to help enforce them. Please bring questions to appropriate members during the pulls, so questionable issues can be resolved.

The scale had some issues arise at the Memorial Pull. Nick and Ashley will look into the issue before the next pull.

The next event will be the Freedom Pull, June 27.

Clarence asked the club if the club could provide gas for the blade tractor. All in favor.

Carol and Judy finished the quilt that will be raffled off during the show. Beautiful once again! Thank you!

First by Wendell and second by Blake to close the meeting, motion carried.

The next meeting will be **Thursday, July 9 at 7:00pm** at the Showground. Please come early to help rearrange the red barn to get the wagons ready for oats.

Respectfully submitted,

Nick Heitman, Secretary
