Harvest Pull—Saturday, September 13, 2025

The regular meeting of the Mid-States Antique Tractor and Engine Club was held Thursday, June 12, 2025, at the Showground. There were 17 members present. The treasurer’s report was read, and approved.

Old Business

New roof for the barn was completed. Thank you to Rocco and Nick!

Eric and Dave will continue to work on a hitch for the pull-back tractor for pulls.

New Business

We received the insurance quote, it continues to rise.

Rocco and Wendell fixed the benches. Thank you!

Remember to read all the rules before tractor pulls.

Also, we need to have at least 3 people working the sled. Last pull, we only had one worker at times. If we do not have enough club members to help with the sleds during the pulls, the amount of pulls we do will need to be reevaluated.

Work night before the next meeting, and as well as nights before the show.

First by Harv Jecha and second by Wendell Simonsen to close the meeting, motion carried.

The next meeting will be Thursday, July 10 at 7pm on the showground, with work night before and after the meeting.

Respectfully submitted,
Nick Heitman, Secretary
