*Our Mission: To connect Christ and community and to demonstrate the love of God to all through Jesus Christ as empowered by the Holy Spirit.*

I will always bless the Lord and His praise will continually be in my mouth. These are the words of Psalm 34. I want to share these words with you, as we are still experiencing pandemic COVID-19. Even though the virus still exists, we are to be just as intentional about our praise to God. The reason we should still praise God is that we know God is still very much in control of this world. Psalm 24 says the earth is the Lord's and the fullness therein, which means the Lord is over all things. While I do not believe the Lord started the virus, He permitted it to happen. Isaiah 54:17 says no weapon formed against you will prevail and that I will prosper. So, if God permitted this virus, Romans 8:28 tells us all things work together for the good of those who love the Lord and are called according to His purpose and His plans. So, we the people of God must wait on the Lord. Our South Carolina resident Bishop Holston has released the statement below and we will adhere to this statement in our quest to be both safe and well.

“In consultation with The Cabinet, and compliance with the most recent information shared by the public health officials, I am strongly recommending that leaders of each local church continue to suspend in-person worship services – and all gatherings, meetings, and events – **through May 20, 2020**. Conference leaders will continue monitoring developments in the pandemic, and we will share our recommendations about events planned beyond May 20 in the coming weeks.”

As we continue to strive to be the church, we must not lose our focus. Our focus must be on God to remember He is with us and He gives us strength. Now is the time to be the church for people who are lost to see our light. Now, we cannot look to ourselves but to God. As we continue to seek God's face, pray without ceasing, and

lift your praise to God because now is not the time to quit. Now is not the time to doubt God and now is not the time to feel alone. So, I invite all of us to find a way to plug into the life of Windsor as we move forward.

Hence, we offer all Sunday School classes virtually or via conference calls.

We also offer prayer via conference call on Wednesdays from 9:45 to 10 AM and Saturdays 8:30 until 9:30 AM. Any meetings needs are set up virtually. LRE members are calling our vulnerable adults and those persons on our sick list.

Our communication team has stepped up their presence to assist anyone needing a tutorial in any of our mobile or media opportunities offered here at Windsor. Maybe we cannot embrace each other, but we can still hear our voices and perhaps see smiling faces.

But maybe you need more than a voice or a smiling face. Please tell me or someone you trust your deepest need and Windsor will do its best to come as close as possible to helping you come through these times. How can we help support you in such unprecedented times?

As the COVID-19 pandemic continues and many stores and businesses are closed or not fully opened, we are aware that there are some among us who could use a little financial boost. It has been decided to expand the reach of the fund to assist some members who have been affected. We are asking that, if financially able, you consider donating above your regular tithe and offerings to help those in need during this special situation. Please know that, at this time, the financial needs of the church are being met by your mailed in offerings. Thank you for helping in any way you can and by writing Pastor's Discretionary Fund in the memo section of your check.

Remember, we are in this together. We will come out with praise to God if we remember He is the one who can keep us from falling. If we remember to follow all the recommended safeguards, and also remember that God loves us and will never leave us alone, we will come through this together.

*Pastor Leatha Brown*

## WINDSOR SOUP KITCHEN AT WASHINGTON STREET UMC

Article and photos by Becky Leonard

Windsor's next serving dates are scheduled for **May 4** and **June 1**. However, due to the restrictions resulting from the COVID-19 virus, volunteer help from other churches has been suspended and Windsor will **not** participate in the May 4 serving. Hopefully, restrictions will be lifted by our June 1 serving. Please check the weekly *Leaf* for updates. If we are able to serve a noon meal at Washington Street UMC Soup Cellar in June, food preparations begin at **10:00 AM** and the serving ends at 12:30 PM.

**March 2020 serving:** Terrence Chisholm, the Soup Cellar kitchen manager, began the soup for our March 2 serving. To this, we added several very meaty hambones and pieces of ham that had been donated by members of our generous Windsor congregation. We thank you for continuing to remember those at the soup kitchen with these delicious donations!

The March 2 meal also included Windsor's "God is Love" pasta salad, a sandwich choice of pimento cheese, tuna or chicken salad, and drink to the 131 guests.

For dessert, Windsor's Generations Sunday School class made brownies.

Our soup kitchen guests always appreciate these chocolate treats and we thank Kathy Robinson and Dianne Dixon and their granddaughters, Josh Gray, Barbara Hamilton, and Brianna Hinson for this special dessert! Thank you to Bill Gray for delivering the goodies to the Soup Cellar!

Our March crew included Denise Lane, Libby Horton, Sheila LaFex, Kathy Hart, Janice Negus, Terry Mulholland, and Fred and Becky Leonard. We missed you, Ferrie!

**April 2020 serving:** In April, Washington St. UMC suspended volunteer activities at the Soup Cellar due to health concerns surrounding the COVID-19 virus. Dedicated Washington St. and Soup Cellar staff continue to feed the hungry, providing them with a bagged lunch that contains two sandwiches, a snack and a bottle of water. Guests come in one at a time to pick up the bagged meal and then depart so that the next guest can get their meal. The lunch crowd varies between 85 and 130 guests who come Monday through Friday to receive a bagged lunch.

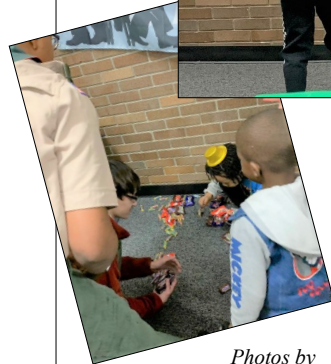

## Fowler Scholarship Application Now Available

By Becky Leonard

The Edgar A. Fowler Scholarship Fund was established in 1978 as a memorial to Reverend Fowler, who nourished and developed Windsor United Methodist Church in its early years. The interest earned annually from this fund is awarded as one or more scholarships to students pursuing an education in a field involving service to mankind; including, but not limited to, the ministry, counseling, mental health, social work, nursing, medicine and teaching. Other fields of study may be considered with documentation by the applicant as to how this field of study is applicable to a helping profession.

Applications are available from the church office. Completed applications should be returned to the church office and will be accepted through **Thursday, June 4**. Applicants will be notified of a decision in July. The money becomes available to recipients after July 2020.

## Fat Tuesday

By Kathy Hart

Fat Tuesday, Fat Tuesday where have you been?  
Windsor thought pancakes on Wednesday was keen  
But in 2020, changes were made  
Fat Tuesday at Windsor is now the rave.

Streamers of purple, gold and green, and  
Beads draping tables, walls and beams.  
Pancakes aplenty cooked by UMM  
One stack eaten, we ate again and again.

A piñata to crack by the children and scouts;  
With one big whack, the candy poured out!  
Adults burst out laughing. Children scrambled about,  
Leaving no candy for even a mouse.

The scavenger hunt was a big hit.  
Passing off a wipe for a sugar pack was a funny bit.  
At the end, a tie was declared,  
With bags of candy for winning teams to share.

As we partied that night, little did we know  
That we faced a Lenten season like never befo'  
God is with us now and for evermore.  
Someday, we pray, we'll be back with our family church....Windsor.

On Tuesdays July 14 and August 11, we will have lunch meetings at 11:30 AM at the home of Joy Stone.

## Easter Sunrise 2020

*By Charmaine Ruppe*

This morning I was on my front porch, a gray morning, clouds almost covering the moon. The day was cool and I pulled my sweater closer. As I stood there breathing the cool air, so different from being inside for so long; a faint golden glow came into view, then a pale rose, followed by a soft lavender.

Just then a flock of geese flew over, separated in flight, as we are now. As their loud cries faded, I was able to hear the birds' songs in the trees, ever so sweet, so different.

By this time the colors of the morning sky had come to create a color for which I have no name. The day may be overcast or skies blue, but during this time much can be learned from a beautiful Easter sunrise.

Pause, pray, preserve.

## The Easter Lilies: White-robed Apostles of Hope

*Article and photos by Kathy Hart*

Did you know that one of the greatest challenges for Easter lily producers is getting the plants to bloom at Easter since it is a different day every year? By counting the leaves on each plant, growers can predict how many days until the plant will bloom.

On the Friday and Saturday before Easter, Ivey and I gathered flowers from thirty folks for the Easter Flower Cross. Although decorating the cross is a long-held tradition at Windsor for Easter Sunday, the idea of placing it on the corner of Alpine Road and Windsor Lake Boulevard to share with the neighborhood was new. We added some Easter lilies at the top to commemorate the resurrection of Jesus Christ. I couldn't help thinking how those lilies were indeed "White-robed Apostles of Hope" in these days of the COVID-19 outbreak.

### All Salkehatchie Camps are Canceled for 2020

By Kathy Hart

Cancelling Salkehatchie was a heart-breaking decision, but it was the right decision to make in the midst of the COVID-19 Pandemic. The cancellation happened in March, which may seem premature, except for the fact that Camp Directors begin the planning for camps in January. March, April and May are when teams visit with homeowners to assess needed repairs. In addition, confirmations are made with schools and churches regarding meals and lodging. Prayers are needed for the folks around the state who were counting on Salkehatchie this summer. Our hope is that we can resume in 2021.

Sharing a hug during COVID-19 Pandemic.
