GENERAL PRICE LIST

BBFS CREMATORY-ONSITE

The goods and services shown herein are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing in the statement we provide describing the funeral goods and services you selected.

PROFESSIONAL SERVICES

Basic Professional Services of Funeral Director and Staff..... \$ 1,695.00

This is the basic charge to each family we serve for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of the taxes, licenses, utilities and business expenses necessary to serve the public in a professional manner. Also included in this charge is the consultation with the family, clerical and administrative service, preparation and filing of necessary permits, consultation with the clergy, cemetery, crematory or common carrier, and planning the funeral. There will be an additional charge for the direction and supervision of each service requested or required. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee, or a portion thereof, is already included in our charges for direct cremations, service of remembrance, immediate burials, and forwarding or receiving of remains.)

Embalming..... \$ 750.00
Surface Embalming..... \$ 500.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. Embalming is a chemical process, which provides temporary preservation of the body and eliminates certain health hazards. A person licensed by this state must complete this procedure.
