## 1. Abstract

Welcome to our Rhodium Miner, from now on named Rh45, Whitepaper the token's key features are, the integration of NFT's and a charity donation mechanism making Rh45 a solid investment parallel to its humane goal to have Miners around the world have a better life.

## 2. Introduction

Rh45 is the project of the future, its mission, and the problem it aims to solve, will make many lives in the world better. With Rh45 the importance of combining NFTs and charitable giving will result in big donations towards Miners in the world.

## 3. Token Overview

- Name: Rhodium Miner
- Symbol: Rh45
- Total Supply: 10.000.000.000
- Initial Distribution:
  - LP: 60%
  - Marketing wallet: 20%
  - CEX listing reservation: 20%
- Smart Contract:
  - Buy tax: 8%
    - Marketing wallet: 6%
    - Charity wallet: 2%
  - Sell tax: 9%
    - Marketing wallet: 7%
    - Charity wallet: 2%

## 4. NFT Integration

Our NFT's are minted on .... Making it a safe NFT. Every NFT sold will be mostly go to our Charity wallet. Only a small minting and dev fee will be deducted (8% total) this way on top of the 2% tax which directly goes to our charity wallet you are able to buy an NFT and help solve issues in the world directly. These NFT's will still hold their value for you to resell it. (resold NFT wont contribute to the charity wallet)

## 5. Charitable Donation Mechanism

Our charity wallet CA is:

2% tax on every buy and sell will go directly to this wallet. This 2% together with the profits of the sold NFT's will be sent to "charity insert here" every Monday. On our website the donation counter will then also be updated with total money donated.

## 6. Tokenomics

- Total Supply: 10.000.000.000
- Wallet max: 1% (100.000.000)
- Transaction max: 0.5% (50.000.000)

## 7. Roadmap

Our roadmap is quiet straight forward..

Short term: Launch on 01-12-2023 and get 100 holders with a MC of \$5.000,-

Medium term: start marketing campaigns as of 16-12-2023 and grow to 500 holders with a MC of \$50.000,-

Long term: CEX listing 10.000+ holders and a MC of atleast \$1.000.000,-

## 8. Team and Advisors

Our DEV and MARKETING team consists of the following people:

- Laurens DEV and CEO
- Fabiano Listing Expert and CFO
- .... Marketing Expert and COO

## 9. Legal Considerations

Our project never gives financial advise and can cause complete loss of your investment. Always do your own research and only invest money you can miss

## 10. Conclusion
