NOVEMBER 17, 2026

1ST Peak Season Since 2023!

A.J.P.C.-PEAK SEASON 2026!

To all members working at Albert Jackson Processing Center,

The New Collective Agreement designates **Sunday 15 November 2026 to Saturday 16 January 2027 inclusively, as "PEAK PERIOD" in the post office.**

- In accordance with this declaration the **duties of part-time employees can be extended beyond 30 hours each week beginning on November 22, 2026.**
- The **Scarborough Local** has been in consultations with management at AJPC on this matter and proposals have been received increasing the average number of hours of each Part-Time employee to **24 hours every week during Peak! These 24 hours of duty will be worked in 3 shifts of 8 hours each.**
- **Part-Timers are also being encouraged to VOLUNTARILY utilize their two (2) UNSCHEDULED DAYS to work up to 40 Hours each week if they so desire. This extension to 40 hours is completely VOLUNTARY.**
- **T**he Local is in continuing discussions with management and the shop stewards **to eliminate any adverse consequence** of this increase in the average number of weekly hours to 24 hours. **Any part-timer wanting to work 40 hours can do so on a voluntary basis.**
- **A 39.07 BID FOR 10 FULL TIME BACKFILLS AND 12 PART-TIME BACKFILLS** began on **Monday 16th November 2026.** The rules of this 39.07 bid are posted on the notice boards.
- **All Members who are part of AJPC (full-time, part-time, indeterminate and terms have an opportunity to bid and participate in this 39.07 exercise.**

Any further news on the 2026 Peak Season will be communicated to you in a timely manner!

Learie Charles
