Very few artists successfully sing R&B, Jazz, Neo-Soul, Pop, Folk, singer-songwriter, and also Opera and classical music; sometimes in the same show. He is also a highly skilled composer and arranger.

Damon has opened for multi-time Grammy award nominee and one-time winner Paula Cole. He has also opened for award winning writer and standup comedian, Jen Kirkman amongst others. He just finished a tour of central/south America.

## HOLY

"My latest single, 'Holy', is a musical/lyrical exploration of a past relationship. I just happened to be reminiscing on how different it was from other relationships I'd been in. It was really something to feel completely seen, accepted, and empowered by a lover for the very first time. There's a beauty in feeling completely vulnerable yet also fully empowered...almost worshiped as something holy. So I started writing and here we are."
