Dear Friends,

As parents of a teenage boy with autism my wife Cathy and I often wonder what's going to happen with our son Alton when we are gone. We know firsthand the concerns of many families that struggle to raise children with autism and special needs.

We decided to start a non-profit 501(c)3 foundation to help families with adult children who have autism and special needs, to assist them with essential living assistance. We are well aware of the huge financial burden that families have especially when government programs end at age 21. Love Ran Red Foundation is dedicated to helping families with this burden.

Our main goal at Love Ran Red Foundation is to provide housing for adult loved ones with Autism & I/DD especially when mom & dad can no longer take care of them. Your donation also funds our Duke's Delites employment program for young adults with Autism & I/DD, our Monday night bowling league, and Night to Shine Lehigh Valley.

We hope that you will consider joining our team through prayer and financial support. Together we WILL make a difference!

*Bill Wright*

Director,  
Love Ran Red Foundation
