Convention is around the Corner

Convention is just around the corner! Below is the Call to Convention that went out to our entire SDFRW membership along with other key documents for Convention.

If you didn't receive the email, contact President@SDFRW.org and Catherine will forward it to you!

Individual AWARDS

From now until September 10, nominate someone deserving for the SDFRW Hero Award, the Cec Nankivel Award, and the Maree Raschke Award! Links to the fillable forms can be found on the Convention page on our SDFRW website: <https://sdfwrw.org/2024-sdfwrw-convention>

Club AWARDS

Club Presidents can also use the link on that page to download the SDFRW Club Achievement Award Form. Please email those completed forms to the Awards Committee Chair Kerri Wagner at kwags47@gmail.com no later than **September 10**.

HOTEL – Marriott Courtyard

The SDFRW room block has expired. If you still need to reserve a room, call the Marriott Courtyard at (605) 791-0945 and tell them you're with SDFRW and need to book a room. They'll do the best they can for you! We have a terrific convention planned for you from start to finish, so be sure to reserve your room for **Thurs, Sept 26 - Sun, Sept 29** to take part in all the festivities!

REGISTRATION

We've kept the registration fee at \$125, as it's been for a decade. With that fee, you get to attend all the meetings as well as the Friday Welcome Dinner at the Diamond Spur, the Saturday Lunch, Saturday Banquet Dinner, and Sunday breakfast at Carvers' Cafe overlooking Mt. Rushmore!

The deadline to register is **September 18**, but please register earlier if you can. It really helps when dealing with caterers and venues to have a good idea of how many people are likely to attend.

To register, use the link below. You can also find this link on the SDFRW Convention page listed above.

LETTER from the President re. the Slate

Within the Call to Convention, you'll find the Slate of Officers chosen by the Nominating Committee. The transition from President to Past President is automatic; since the delegation does not vote on it, Past President is not listed on the slate. So, I wanted to take this moment to explain that we're doing something unusual this year -- I, your current President, will not assume the Past President role when my term ends in December, and I wanted you all to understand why. When nominations opened earlier this summer, both Penny and Sandy expressed a willingness to run for Member-at-Large. If both were slated, then my filling the Past President slot would've created an unprecedented situation with three Past Presidents on the Executive Board. That would put our Nominating Committee in a difficult position: either present a slate that would seat three Past Presidents, limiting the Committee's ability to elevate new talent, or don't slate either Penny or Sandy, both of whom offer tremendous energy, wisdom, talent, connections, and institutional knowledge. I prayed for God's guidance, and when He spoke, I felt completely at peace: the solution was for me to decline the Past President position. That way, Penny will remain Past President, and the Nominating Committee can slate Sandy for a second term as Member-At-Large. With only two Past Presidents on the board, the Nominating Committee can add a new officer, helping her develop before she runs for President someday. I did not discuss this idea with Penny or Sandy because I know they wouldn't let me go through with it. I am truly blessed to call them both my friends -- I know they would've stepped aside in a heartbeat if I'd asked them to. Yet, I did not arrive at this decision lightly. I considered every pro and con, examining the decision from every angle. After weeks of prayer, I became convinced this solution isn't perfect, but it is God's plan. So, before the Nominating Committee began deliberations, I requested they let me give one more gift to the sisterhood I love.

I will finish out my term as President, but when the clock strikes midnight to ring in the New Year, I decline to accept the position of Past President. Penny was the President immediately before me, so the position will revert to her. As a consequence, Penny is not included on the slate that we will vote on during Convention. Instead, she will automatically resume her role as Past President by virtue of my declining it. Please know that this isn't coming from the Nominating Committee or from Penny or Sandy or anyone else. This was entirely my idea. It is my choice and mine alone.

Rest assured -- even though I won't be on the Executive Board, I'll still be around! If you need me, I'm always just a phone call away. I look forward to seeing y'all at SDFRW events and am so excited to see the heights to which SDFRW will ascend under the new, fantastic officers!!

These last 18 months have been extraordinary! From the bottom of my heart, thank you for all you've done for SDFRW and for me personally. ♥♥

Looking forward to seeing you all in September!

The SDFRW Youth Advocacy Committee has been busy! As is our annual tradition this time of year, the Committee is pushing to help recently graduated students register to vote. Their letter is included below.

Special thank you to SDGOP Chair John Wiik and SDGOP Executive Director Reggie Rhoden for sending our 2024 Elections Handout and Youth Voter Registration Drive letter to the SDGOP contact list.

Dear South Dakota Republicans,

We as Republicans want to ensure that our youth are engaged and active at an early age and voter registration is at the "top of the list". There is a strong possibility that we all know someone who graduated from High School in 2024. While some graduates will join the workforce or have honorably chosen to serve our country in the military, others will be packing up and leaving for college or vocational school in August. **Therefore, now would be the perfect time for us to encourage these individuals (if they have not already), to not only register to vote, but to register Republican!!!**

For convenience, the voter registration application is attached to this email, or see the link below for the Secretary of State's Website for more information:

<https://sdsos.gov/elections-voting/voting/register-to-vote/default.aspx>

How to register:

Print the Voter Registration Form, fill-out the form, sign it and then submit it to your County Auditor. Your Voter Registration form with an original signature must be received by the auditor 15 days before any election if you wish to vote in that election. South Dakota law does not allow you to submit your voter registration form via fax or email.

To register to vote in South Dakota, you must:

- ✓ Be a United States citizen (South Dakota Constitution, Article VII, Section 2)
- ✓ Reside in South Dakota (residency defined)
- ✓ Be at least 18 years old on or before the next election
- ✓ Not currently serving a sentence for a felony conviction. (See additional felony information)
- ✓ Not be judged mentally incompetent by a court of law

You may also register to vote at the following locations:

County auditor's office, Driver's license station (when you are renewing or applying for a driver's license you may also register to vote on the driver's license application), City Finance Office, Public assistance agencies providing food stamps, TANF or WIC, Department of Human Services offices which provide assistance to the disabled, Military recruitment offices

Through youth engagement efforts, we as Republicans can ensure South Dakota remains a strong conservative voice for America!

Sincerely,

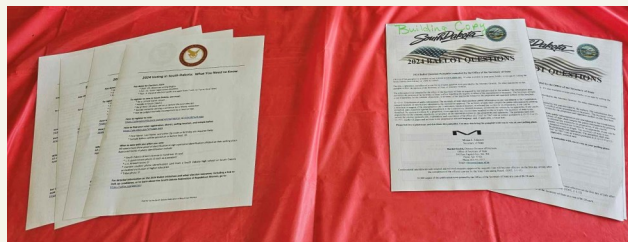

Penny Sattgast & Juanita Schmunk: (2024 Youth Advocacy Committee Chair & Vice-Chair)

Val Higgins & Lois Van Dusseldorp: (2024 Campaign Committee Chair & Vice-Chair)

South Dakota Federation of Republican Women **AURORA-DOUGLAS REPUBLICAN WOMEN**

The Aurora Douglas Republican Women held a debate in May between the three candidates: Marty Overweg, Jim Halverson, and Lee Qualm, who ran for the district 21 State Representative Contest in the Primary Election. Caleb Fink was the moderator. The debate was well attended, and the audience provided excellent questions.

The ADRW Campaign Committee has worked hard with new voters and those who wanted to vote with an absentee ballot. They also convinced several voters to change their voter registration to the Republican Party so they could vote in the primary.

Douglas County voters turned out about double the percentage of state registered voters on [June 4](#). Statewide turnout was 17.09 percent while the Douglas County turnout was 31.53 percent.

In June, two of our members worked at the election polls. We are planning on how to help our Republican candidates this fall and will keep working on registering those who need to register in our district by contacting young people who are turning 18 and anyone who has changed their address since the last election and other new voters.

MINNEHAHA-LINCOLN COUNTY REPUBLICAN WOMEN

Minnehaha Lincoln Republican Women offer prayers of Praise to Our Lord God Almighty for His protection over the life of President Donald J. Trump. The frightening events of July 13, 2024, created a new appreciation of these United States of America and the importance of our involvement in the political process. It is imperative that we are involved and knowledgeable of the political candidates who choose to step up to guide our Nation.

MLRW continues with enthusiasm. Each month we see new faces coming to join our club, thanks to the outreach of our members as they share with their friends. We have just launched a new program called “First Fridays” whereby interested members gather for lunch and fellowship at a local restaurant on the first Friday of each month.

Prior to the June primary elections, we held a Meet & Greet with potential candidates who each took a spot around the meeting room. Our members then mingled and visited with various individuals to learn more about their platforms. It was a great learning experience for those who were unsure of their District Number and who their representatives actually were.

Our June picnic was postponed due to the heavy rains and flooding in Sioux Falls, but we were able to successfully hold it in mid-July.

Upcoming programs will include learning more about Church On The Street and The Furniture Mission, two local charities to which we donated blankets last Fall. Our Chief of Police will again visit us in August. In September, we hope to have our Minnehaha County Auditor demonstrate her process for hand-counting electoral ballots. In October we will discuss all the issues that will be on our November ballot. And as the year comes to a close, it will be time to consider bringing on new board members as the ‘torch is passed’ to the next leadership.

South Dakota Federation of Republican Women

MEADE COUNTY REPUBLICAN WOMEN

Meade County Republican Women were very busy before the Primary, hosting three candidate forums in Piedmont, Faith and Sturgis.

Then we were on to co-host the Lincoln day Dinner with Meade County Republicans. Lorie Hausmann presented long time MCRW Member, Henrietta McNenny with a gift of appreciation for her work over the years making our LDD's look gorgeous. Sandy and Teresa helped to MC the event.

South Dakota Federation of Republican Women

Meade County Continued:

SDFRW members were well represented at the SD GOP Convention in Pierre and a few ladies were able to get a photo together.

We were excited to see MCRW members, Lt. Governor Larry Rhoden, with his beautiful wife Sandy by his side at the RNC announcing Donald J. Trump as the delegates choice.

Finally, MCRW had its annual summer picnic. All the newly elected SD Legislators were invited and had great conversations were had.

SDFRW Strike Force: Door Knocking in Montana

It's important that we fight for the White House— but it's just as critical that we fight to take back the majority in the Senate so that we can advance good bills and block bad ones! To that end, the Senate race in Montana is one of the most important in the country!! There, we have an incumbent Democrat (Tester) who supports an open border and votes with the Biden Administration 95% of the time vs. a Republican challenger (Sheehy) who is a former Navy Seal and earned the Bronze Star with Valor for heroism in combat.

“Montana is likely the best opportunity for Republicans and the biggest risk for Democrats.”
