AMERICANISM ACROSS STATE BORDERS

By Catherine Barranco, SDFRW 2nd Vice President

Dear Friends,

We're blessed to call the United State our home. Yet, this November, we face the terrifying prospect of losing the country we love. To save it, we must do more than re-elect President Donald Trump.

We must defend the Senate. As we saw in January, shameless Democrats will stop at nothing to impeach Trump. Ignoring genuine perils threatening America, they assail our President with outrageous allegations of imagined crimes. Leftists abhor this great man – who forged unprecedented trade agreements and tax cuts, who elevated our Black and Jewish communities more than any administration prior, who put Crist back in Christmas, defended the unborn, and protected our constitutional right to bear arms. The Democrat's irrational hatred runs so deep that they cheer the burning of cities, the murder of policemen, the collapse of our economy, and the sacrifice of fundamental liberty. Democrats believe a nation in flames will abandon its President. The horrifying truth: it might. Even if America re-elects Donald Trump, scheming Democrats will resume their attacks, with freshly fabricated charges. The last line of defense between the President and his removal is a republican Senate majority. Unless we hold the Senate, the conspirator's plot may succeed.

South Dakota voters will support President Trump, Senator Mike Rounds, Congressman Dusty Johnson, and other candidates fighting to defend our way of life. But we can do more. To save this nation, we **MUST** do more! John Thune and Mike Rounds, both strong American stalwarts, represent South Dakota. But few other states are so fortunate. Accordingly, The SD Federation of Republican Women calls all true patriots – men and women alike – to help bring victory to battleground states! Whether you prefer to stay home or travel, near or far, there are ways to join the fight. By contributing your time, talent, and treasure, you can make a huge difference.

BEADLE COUNTY REPUBLICAN WOMEN

The Beadle County Republican Women met in August for the first time since March. We met at the outdoor shelter, Voorhees Shelter, at Central Park. We will continue to practice social distancing and wearing masks until the Covid 19 scare has lessened!

Our guest speaker was State Representative Lynn Schneider, who has been appointed by Governor Noem in the replacement of the late Representative Bob Glanzer. Lynn is a well-known businessman, community volunteer and respected community leader—in addition to being a husband, father, grandfather.

We are preparing the State Fair Republican Building for the upcoming Fair. Due to the pandemic, the building will be occupied for Constitutional Officers/ Candidates/representatives only and not provide our usual respite for fair goers. We are not subjecting our Republican volunteers to constant contact with the general public.

Many BCRW members proudly viewed the Suffrage Program on PBS this month. With much anticipation we are viewing the National Republican Convention and are proud of our Governor Kristi Noem for her involvement!

We look forward to the SDFRW Convention in Sioux Falls in September.
