Mieke Brazen

Hometown: Five years ago, my husband and I moved to Corsica, SD. We moved from Grand Rapids, MI.

Local SDFRW Club: Aurora/Douglas Republican Women

Where were you born? I was born in the Netherlands, and my family moved to MI in 1974. I became a citizen in 1980 at the age of 14. We had a pig farm for 10 years.

Education: I have a high school education, and I have volunteered for 10+ years as a Home Ec teacher's aid in a private school.

Professional Career: I have no professional career, but I've been a mom for 34 years and a grandma for 7. I have volunteered all my adult life, and now I'm interested in SD programs.

Why do you belong to SDFRW: Belonging to a Republican group of women is a wonderful opportunity that came my way. Ronald Reagan was the very first president I voted for, and I can't wait to see where this new chapter leads me.

Who is your favorite Republican and why? There are many respected Republican men and women in the public office. It was a great honor to meet Governor Noem at the Charles-Mix County Lincoln Day Dinner, and I can't wait to see how this election year ends up.

Favorite quote or Bible verse: Psalm 118:24 – This is the day which the Lord hath made, and we will rejoice and be glad in it.

MINNEHAHA-LINCOLN COUNTY REPUBLICAN WOMEN

MLRW June 2022 report to SDFRW newsletter:

Minnehaha Lincoln Republican Women have had a BUSY 2022 so far. We have hosted 13 speakers in the first 5 months of this year. Our focus has been on the various candidates running for different offices.

We began in January hosting the 3 men who are seeking the primary nomination for U.S. Senate against Senator John Thune. Bruce Whalen, Mark Mowry and Pat Schubert were questioned in panel-style about their respective views for SD. So many people were interested in learning about these candidates that 90+ people showed up at the Military Alliance in our meeting room that only holds 50! They overflowed into the hallways, and some just left because they couldn't hear and couldn't find room.

In February we moved our meeting location to the Country Club of Sioux Falls, anticipating larger numbers. Our speaker was Mayor Paul TenHaken who is running for re-election.

March we went back to the Military Alliance and met in their larger Museum Room, which was the old Triple AAA building they had recently purchased. We hosted 5 candidates running for City Council, plus heard from Taffy Howard who is opposing U.S. Rep. Dusty Johnson.

In April we hosted Steve Haugaard who is challenging Kristi Noem for governor, and also Senator John Thune, again to an audience of over 100 people. The Military Alliance Museum Room was very appropriate for this size crowd.

In May we hosted Representative Dusty Johnson, again to a good-size crowd.

June we are being 'strictly social'. Our Board will host all members and their families at a picnic in Tuthill Park, serving pulled pork sandwiches with homemade salads and desserts. This is so we can all take a "breather" from the primaries and get renewed to support those Republicans who were winners.

Our club has grown to almost 100 members and associates, and we continue to see new faces as more patriots are waking up to the challenges facing America. They appreciate meeting together with like-minded people and becoming more informed and active in our community.

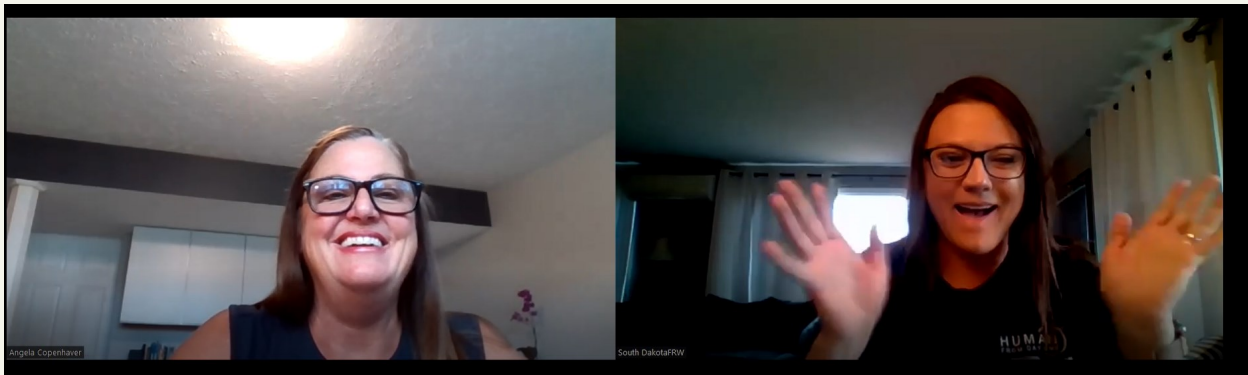

God Bless America!

CYBERSPACE REPUBLICAN WOMEN

Cyberspace under new leadership!

SDRW in Cyberspace has a new leader at the helm! In April, Cyberspace President, Scyller Borglum announced that she would be stepping down, so Cyberspace Vice President, Laci Sosa, stepped up to fill the vacancy. Laci is excited to lead Cyberspace in this capacity, and she has appreciated the support and mentorship of Cyberspace past president, Catherine Barranco, as she hit the ground running to facilitate their first speaker, Angela Copenhaver, of WeTeachThink and HumanFromDayOne.com on May 31st!

Angela's message wowed her audience as she gave a unique perspective on how to spread the pro-life message of the Republican platform by looking at it through the eyes of a marketing strategy. For more info, you can visit HumanFromDayOne.com!

Cyberspace also reached out to the membership to get feedback and input on speakers/topics from the members, so we have a list of options to explore for the summer months! We have also been in contact with and are still trying to pencil in NRA board member, Rick Figueroa, to share with Cyberspace in July! This will be an especially interesting topic on the heels of the shooting in Texas, as Rick hails from Texas. Gun control conversations have heated up as the liberal agenda pushes for greater restrictions for gun owners, so watch for info to join us for this especially timely speaker/topic or email Cyberspace to get on their mailing list! SDRWCyberspace@gmail.com

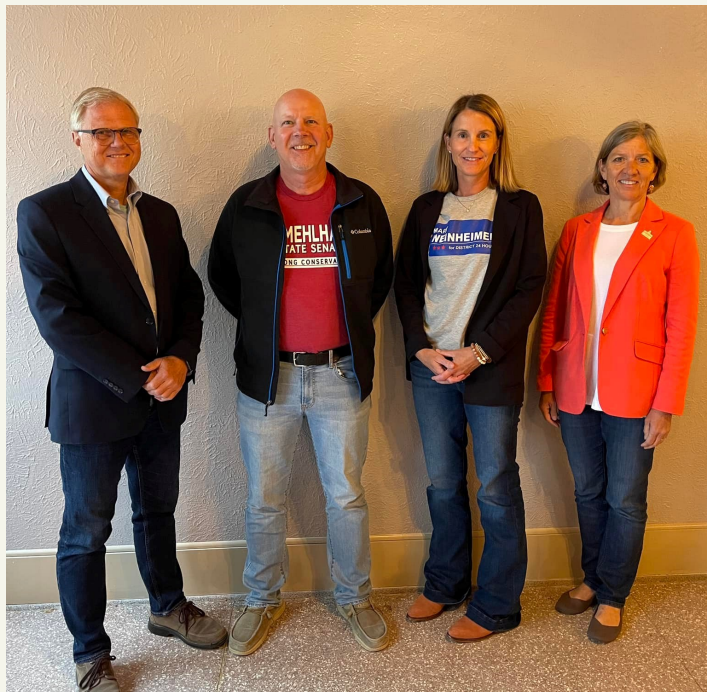

Thank you!!
