## MEADE COUNTY REPUBLICAN WOMEN

MCRW did not meet in the month of April. However, we have had 2 virtual executive board meetings using Zoom to discuss various items. Our last meeting focused on going over our bylaws, which was our goal for the month of April. We are making plans to have a club virtual meeting in May,

Our Lincoln Day Dinner has been postponed until June 5th. We will wait to see if that is still possible as time goes on and we can check the status of this virus. Happy Easter!

SDFRW Newsletter Opinion Page

The Fall River County Republican Women hosted a well received luncheon on Drug and Alcohol Addiction. It was held March 10, 2020 with psychologist Dr. James Parker as the speaker.

There is hardly a family that is not touched by alcoholism and drug addiction. Many of the opioid addiction problems begin with doctors prescribing pain medications and then failing to monitor their patient's on going use of the drugs.

Our country is awash in black market prescriptions pills, black tar heroin, methamphetamines and cocaine. These are streaming into the country from China, Mexico, and South American drug cartels.

The Fall County jail is full of drug and alcohol abusers who run afoul of the law. Treatment is very expensive and largely ineffective.

Only about 5% of alcoholics ever achieve a long term cure.

Drug addition victims die of overdoses. Alcoholics die of withdrawal seizures.

Both die of liver disease, cardiovascular problems, internal bleeding and a host of other problems. Many die in accidents.

Social drinkers can develop cancer.

We need competent centers where vicitms can be chemically detoxed under a doctor's care. We need reasonable costs for these services so addicts and teir families can get help. Children growing up in homes where one or both parents are drug or alcohol abusers suffer terribly and often repeat their parents behavior.

President Trump's brother died of alcoholism. He has identified this problem as one requiring national attention.

Perhaps this is a cause that would benefit from the attention of Republican Women. We need more education, more public funding for treatment centers and research, more programs to help victims and their families.

Susan R. Henderson, President  
Fall River County Republican Women

Hello SDFRW Presidents, Exec. Board and Committee Chairs & Members,

The attached is a post from South Carolina's Republican Women's FB page, shared from SDFRW. As you are aware, (we've hounded some of you for videos) Penny and I have been working to recruit short #SDFRWTHANKFUL videos. In these uncertain times we hope that SDFRW can share positive messages of what we 'are' blessed with to be an encouragement. Between our Youth Engagement and Caring for America goals, this is a great fit.

NFRW is very excited about our project and they plan to encourage ALL of the states to follow our lead in doing this. The attached is just one of several videos. PLEASE go to our FB page (South Dakota Federation of Republican Women) and LIKE each video daily and then SHARE it. We'd like to make a wave in South Dakota! There's no better time as we are using social media NOW more than EVER. How far can SD Republican Women go with positive encouragement and hope for fellow South Dakotans & Americans?

If you know a teen or college Republican who would like to do this, it can be anywhere from just 15 – 45 seconds! If you have a good message for what YOU are thankful for, PLEASE SEND your video within the next 10 days!

The next 2 weeks will be the toughest time of this COVID 19. Let's show our strength and compassion for others in a way that only takes seconds to do. What are you thankful for? You could also send a quote or short message if you aren't able to video. We don't know how far your video will reach. (please state name/location on videos so we know who you are) Text videos to Penny at 605-215-3298

To those Club Presidents who are sending these out to your members asap... THANK YOU! I view SDFRW as a team. I am just the coach and YOU are all players. The success of our team is the result of how we all participate. Each one has different strengths and it is awesome when players give their best to the team. SDFRW is strong because of each one of you, not just some.

THANK YOU CHARLES MIX REPUBLICAN WOMEN! They have delivered 99 masks that they've sewn to their local hospital. Each mask takes a long time to sew and they are asking for 500! Big order for 3 sewers. If you are a sewer, please contact Lois Van Dusseldorp.

\*Stay tuned for upcoming plans for our April 25 Spring Quarterly Meeting.

*Stay safe and healthy and please feel free to reply all with any prayer requests. Please pray for the Huron community and the Glanzer family. Pray for our President.*
