Cyberspace Republican Women

Exciting Month for Cyberspace!

Congratulations to our newly elected 2022 Cyberspace officers! 🎉

President - Scyller Borglum

Vice-President - Laci Sosa

Treasurer - Kari Shanard-Koenders

Secretary - Natasha Waters

We enjoyed an incredible coffee with Major General Simeon Trombitas (Ret) – Former Commander of the Army Special Forces and himself a Green Beret – who educated us about the terrifying cartel activity south of the border.

SDFRW Spotlight ~ Laci Sosa

Hometown: I grew up in Doland and have made my home in the beautiful Black Hills!

Local SDRW Club: Pennington County Republican Women

Where were you born? Hoven, SD

Occupation: Mortgage Loan Officer at USA Mortgage, writing residential purchase loans and refis for people across this great state!

Tell us about your family: My dad and mom, Don and Lana Greenfield, were both teachers as I was growing up, and then became small business owners. My dad is now semi-retired, and my mom retired from teaching English after 37 years & decided to try her hand at politics. She currently serves in the SD State House of Representatives. My brother, Brock Greenfield, is best known for his extensive service in the SD State Legislature, but also helped run my parents' businesses, among other things he does to keep busy. He recently married Kelli (Kartak) Greenfield, who is originally from Winner, & is a Nurse Practitioner in Rapid City. The younger of my 2 older brothers, Blake Greenfield, is a Physician's Assistant & works at Ellsworth AFB. His wife, Amber & daughter Brielle are his pride and joy, and Amber's creativity keeps her busy with all kinds of projects including interior design and jewelry making. Brielle is a 4th grader & an honor student & couldn't be more sweet or cute if she tried.

My children are Gavin and Shayla. Gavin is 8 & going into 3rd grade, and Shayla will be in kindergarten this year! We recently moved from Rapid Valley to a little higher ground in the beautiful Black Hills where we keep busy playing outside, riding bikes, exploring the forest behind our home, star-gazing around the fire pit, and watching all the wildlife that venture near our picture window! We are still waiting to catch a bear on our outdoor camera, as they have been spotted in our neighborhood!

I also have a special person in my life, Tony Hudson, who is a Lieutenant with the Rapid City Mobile Medic Unit at the Rapid City Fire Department. Tony has 4 children and a granddaughter with whom we enjoy spending time. I always wanted large family gatherings & when all of our 6 children & his granddaughter are around, my heart is full!!!

Tell us why you belong to SDFRW and feel free to share any special activities and/or committees you have been involved with: I love SDFRW and PCRW and all the great friendships and connections I have made over the last 5 years since I became a member! I've even gotten to know a couple of cousins I didn't know before! I love being engaged in state and national politics, and recently have discovered my passion for helping local candidates get elected to city council and school board. I'm passionate about ensuring the quality of public education doesn't go awry & put our most vulnerable citizens, our children, in danger. I help to manage social media pages for PCRW and for some of our local candidates. I also serve as the Secretary on the executive board for SDFRW. I am constantly in awe of the hard-working women who I get to come alongside to serve in this capacity.

Hobbies and other volunteer organizations: Spending time with my children is my favorite thing to do, and since our recent move, I have been rediscovering my love of the outdoors alongside my children. I am working on getting all of us less dependent on our devices and more addicted to the fresh pine air. There is nothing like a good hot cup of coffee while sitting on my deck enjoying the vastness and beauty of our Lord's creation! I am an active member of my church, which also houses the school my children attend. I love staying involved with their activities in the classroom.

Spotlight Cont....

List a few fun or interesting things about yourself: I worked in the entertainment industry as an actress & producer in Hollywood for 7 years & have appeared on shows such as CSI, That 70's Show, The Mentalist, Criminal Minds, and several films and short films.

I was a contestant in the Miss South Dakota pageant in 2003.

I was baptized in the beautiful Sun Moon Lake in Taiwan when I was on a missions trip in 2005.

Who is your favorite Republican and why? Locally, my favorite is Kirsten Bradsky, who I consider a mentor. She is one of the hardest working people I know and is always thinking 5 steps ahead in order to organize the effort of the Republican party. Nationally, I would have to say Charlie Kirk. I just love listening to him debate people on the street & he always stays calm and just presents the facts! We need more facts & less emotion in politics. Emotion isn't bad but is not a good fallback when you run out of facts to present.

Favorite quote or Bible verse: Isaiah 40:31 - But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

This Month in History

November 1st - All Hallows Day, also known as All Saints Day among Roman Catholics, commemorating those who have no special feast day.

November 1, 1848 - The first medical school for women opened in Boston. The Boston Female Medical School was founded by Samuel Gregory with just twelve students. In 1874, the school merged with the Boston University School of Medicine, becoming one of the first co-ed medical schools.

November 7, 1990 - Mary Robinson became Ireland's first female president.

Birthday - American suffragist [Elizabeth Cady Stanton](#) (1815-1902) was born in Johnstown, New York. During the first Women's Rights Convention at Seneca Falls in 1848, she stated, "We hold these truths to be self-evident that all men and women are created equal."
