January 2025

Parent Evaluations

Evaluations will be sent out this month. We thank you in advance for taking the time to give your feedback.

Please note these evaluations are anonymous and kept confidential.

If you have questions please let us know.

Weather Appropriate Clothing

This winter we are seeing many changes in weather from day to day. Please ensure your children are dressed appropriately for outdoor play with their educators.

Educators are required to go outside daily with children unless weather is extreme cold, they can use their own discretion about what is too cold but fresh air during all seasons is important for children's development. One child without proper outerwear affects all children in the dayhome.

Mission Statement: Provide quality childcare with an in-home, play based learning environment for every individual child. Recognizing each child is unique and he/she has different abilities, which enable every child to attain independence at their own rate of development.
