

Liberty Lake/MeadowWood Golf Club

4-Man Team, 1-2-3 Net and Flighted IndividualTournament

- You must be a paid member or associate of the Liberty Lake/MeadowWood Golf Club to participate.
- The tournament consists of a 4-man team competition plus a concurrent individual flighted stroke play. The flighted individual tournament will include gross, net skins and deuce pots. The entry fee covers all events. Payouts (pro-shop credit) will be awarded for the team net competition and individual gross/net stroke play. **Entry fee is \$50 per player.**
- The team portion of the competition consists of a team score based on the best 1, 2 or 3 net scores per hole. On the 1st hole, the team score will be the total of the 1 best net score, the 2nd hole will be the total of the best 2 net scores, and the 3rd hole will be the total of the 3 best net scores. Repeat this process every 3 holes.
- Each team will consist of 4 players, with no minimum or maximum team handicap required. Teams of three players may compete in the team event without the benefit of a fourth "throw out" score. If they prefer not to compete in the team competition they must designate prior to teeing off and may compete in the individual competition, only.
- Individual players not signed up with a full team may be paired up to complete a team or may simply compete in the individual competition. If a player does not compete in the team portion, they will be refunded \$15 of their entry.
- Play from the white tees. Any player who meets the LLMW MC "80-80" Rule may elect to play from the gold tees and their handicap will be adjusted per the World Handicap System. If choosing to do so, the player is required to designate so when signing up. Regardless, the player must notify the tournament committee prior to teeing off.
