

## 2-Man, Best Ball/Chapman/Scramble/Scotch Ball

- You must be a paid LL/MW Men's Club member prior to teeing off in this tournament. All USGA Rules apply unless otherwise stated in these tournament rules. **Entry fee is \$40 per player.** (includes team skins each day)
- Play from the white tees. Any player who meets the LLMW MC "80-80" Rule may choose to play from the gold tees. When scheduling your tee time, be sure to indicate if you and/or your partner want to play from the gold tees.
- There will be a 7 stroke spread handicap between partners. If larger than 7, the higher handicap will be reduced.
- Teams will be divided into 2 flights. Gross and net team scores as well as team skins will be per flight.
- The format of this tournament is as follows: Saturday: Holes 1- 9 Best Ball; Holes 10-18 Chapman; Sunday: Holes 1-9 "1-Man" Scramble; Holes 10-18 Scotch Ball. Score only 1 team gross score per hole (this includes your best ball score as gross score only). Teams exchange scorecards and keep the other team's score.
- 50% of the total team handicap will be subtracted from the total gross team score to determine net 18 hole score. Payouts will be for gross and net for each flight. Skins will be paid as team gross skins by flight, each day.
- All balls will be played "down as they lie" except for the Scramble holes, where you may lift, clean and place the ball within 18 inches of its lie, same surface (6 inches on greens).
- **Best-Ball Format:** Each player plays their own ball. The team score is the best score of the two.
- **Chapman Format:** Each player hits a drive on each hole. Each player then plays the second shot using their partner's drive as their playing ball. Then your team chooses the best of the second shots and uses only that ball to finish the hole alternating players each shot thereafter until the ball is in the cup. Note: The third shot must be hit by the player who did not hit that ball as his second shot, and so forth.
- **Scramble:** Each player hits a ball and the team chooses which shot to use. Each player hits again from the chosen spot, and so forth. You may lift, clean and place the ball within 18 inches of its lie, on the same type of surface (6 inches on greens), no nearer the hole. Minimum 3 drives per player. "Tap ins" are allowed.
- **Scotch Ball:** Prior to playing the 10th hole, each team will determine one player to drive on the even numbered holes and the other player to drive on the odd numbered holes. The designated player will drive on his designated numbered hole with the other player hitting the second shot and alternating the rest of the hole until holed. The process repeats for the next hole and so on.
