

## Men's Club

As handicap chairman, I would like to welcome you to the LL/MW Men's golf club. Whether you are a returning member, transferring from another club, or joining for the first time we hope you will take advantage of our many tournaments and other activities.

If you are a returning member, or transferring, your past scores will be entered into your scoring record. If you are new and have not yet established a handicap, you need to post at **least 54 holes** to get started. Your email addresses have been entered into the GHIN system (without an email on file you will not be able utilize any Ghin applications to post scores, etc.)

In 2021 the preferred method of posting scores is **hole by hole** after your round using the mobile Ghin app for your phone (download free from your app store). It is a useful tool for posting scores quickly (**hole by hole**), checking your handicap index, and finding your course handicap from the tees and course you are playing. You can also post scores online at [ghin.com](http://ghin.com). Because handicaps are figured daily now, **you need to post by mid-night of the day you play regardless of the method you chose.**

Visit our web page ([llmwmc.club](http://llmwmc.club)) to check out the tournament schedule, local club rules, news from board members, and updates on covid-19 information.

Again, welcome. Hope to see you at some of the tournaments. If you have any questions regarding handicap issues, feel free to contact me.
