HOME WINEMAKERS CLASSIC
JULY 27, 2019
"THE ULTIMATE CULT WINE
EVENT"

Our annual fundraiser, "The Home Winemakers Classic," is taking shape. This year we will be celebrating our 36th anniversary!! We are pleased to announce that we will be returning to the CIA at Copia in downtown Napa. So come and have a GREAT time, drink some fantastic wines, eat delicious food, and bid on fantastic silent auction items while supporting your local volunteer fire department. This event has become, without a doubt, the best party for home winemakers in all of California! However, without this fund raising event, the Dry Creek-Lokoya Volunteers would not be able to support our community.

However, I must also announce that this will be the **LAST** Home Winemakers Class for the Dry Creek-Lokoya Volunteer Fire Department. I will be retiring next year and no one has stepped up to take on the work needed to organize this event. We are also short on support staff. But, this has been a **GREAT, 36 year run** with lots to be thankful for.

So, let's party like it is 1999? Go to our website to purchase tickets and to see more information:
www.homewinemakersclassic.com

I must also thank the numerous individuals that have worked hundreds of hours to put on this event year-after-year with spectacular results. Could not have done this without your dedication!

Your Local Volunteer Firefighters Do More Than Just Put Out Fires!

While fires, both structure and vegetation, are the most noticeable and seemingly most dangerous to the most number of neighbors, you local firefighters also respond to medical emergencies (about 95% of our calls), traffic accidents, assist with water and rope rescues, and mitigate other hazards (trees and power lines down across our roads). This is why they train so often and need to have the same training as the paid county firefighters. Below are some of our trainings we must attend to stay proficient in our skills.

Auto Extrication
