

Power Station Terms & Conditions (1200W)

By adding the 1200W portable power station to your booking (“the Power Station”), you agree to the following terms and conditions:

1. General Use

- The Power Station is provided for **light, temporary electrical use only**.
- It is suitable for charging devices such as **mobile phones, tablets, laptops**, and for **short-term use of low-to-medium power items** (e.g. hair dryers for brief periods).
- The maximum output of the Power Station is **1200 watts**. This limit must not be exceeded.

2. Prohibited Use

The Power Station must **not** be used for:

- Continuous high-load appliances (e.g. heaters, kettles, microwaves, electric cookers).
- Any appliance that exceeds the stated wattage limit.
- Medical equipment or any device where uninterrupted power is critical.
- Commercial or third-party use outside the bell tent.

3. Safety

- The Power Station must be kept **dry, well-ventilated, and inside the bell tent at all times**.
- It must not be tampered with, modified, opened, or moved from its designated position.
- Cables must be used safely and not create trip hazards.
- Children must not operate the Power Station without adult supervision.

4. Charging & Power Capacity

- The Power Station is supplied charged but **no guarantee is given as to how long it will last**, as usage varies by appliance.
- Guests are responsible for managing their own power usage.
- Once depleted, the Power Station **cannot be recharged during your stay** unless explicitly agreed in advance.

5. Liability

- Use of the Power Station is entirely **at the guest's own risk**.
- We accept no responsibility for damage to personal electrical items connected to the Power Station.
- We are not liable for power interruptions, insufficient charge, or incompatibility with guest appliances.

6. Damage, Loss & Misuse

- Guests are responsible for the Power Station during their stay.
- Any damage, loss, or misuse may result in **repair or replacement costs being charged** to the guest via the wedding couple.
- Normal wear and tear excepted.

7. Weather & Environmental Conditions

- The Power Station must not be exposed to rain, moisture, or excessive heat.
- In adverse weather conditions, we reserve the right to **remove or disable the Power Station** for safety reasons, without refund.

8. Termination of Use

- We reserve the right to withdraw the Power Station at any time if it is being used unsafely or contrary to these terms.

9. Acceptance of Terms

- By opting to add the Power Station, guests confirm they have read, understood, and agreed to these Terms & Conditions.
