80TH ANNIVERSARY SHOW

Dear Friend of the Marion Horse Show,

In 2027, the **Marion Horse Show proudly celebrates its 80th Anniversary** — eight decades of horses, riders, families, community, and tradition in Marion.

As we prepare for this milestone, we invite businesses, farms, organizations, families, and friends to be part of our celebration through a **Class or Division Sponsorship, General Donation, or Auction Table Donation**.

Producing a quality one-day horse show is a significant undertaking. Sponsorships help offset the cost of ribbons, prizes, championship awards, select cash prizes, show officials, grounds, facilities, and the many other expenses involved in producing the Marion Horse Show.

In appreciation, our sponsors receive recognition based upon their sponsorship level, which may include **name or logo recognition in printed materials, on our website and social media, show-day announcements, and a special Sponsor T-Shirt**. Eligible Class and Championship Sponsors may also present their award and have a photograph taken with the winner. Championship Sponsors may elect to have their business name or logo placed on the back of the special engraved **Championship Gift Frame**.

We are also seeking **gift cards, merchandise, products, gift baskets, services, experiences, and other items** for our 80th Anniversary Auction Table. Donations will be displayed with the donor's or business name.

Whether you sponsor a class, division, our Games, make a general contribution, or donate an auction item, **every contribution helps make our show possible**.

For 80 years, generations have gathered in Marion for this special tradition. With your support, we hope to make our **80th Anniversary Show one to remember** while helping ensure the Marion Horse Show continues for generations to come.

Thank you for considering being part of this historic celebration. **We would be honored to celebrate 80 years with you.**

With sincere appreciation,

Jeffrey DeMoura
President

Marion Horse Show, Inc. a 501(c)(3) nonprofit organization
