WEBINAR TESTIMONIALS

"Course content is extremely relevant to clarify and explain the ins and outs of nutrition panel composition and use; to meet the requirements of the new regulations coming into force.
\he presenter and his group are second to none when it comes to clear presentation of requirements as well as real life examples so everyone understands.

After the webinar they provide relevant links and printed resource materials which will help build a full library of regulatory information to use to create your panels"

"Gary is truly an expert in Canadian food regulations. There is not a question that he cannot find a solution to.

I would recommend his course to anyone looking to strengthen their understanding of the Canadian regulatory landscape."
