PROFESSIONAL DIPLOMA IN FINE ART (ONE YEAR)

This course is designed for students to achieve a new level of mastery in Art making. Diploma students spend 3 semesters/terms of intensive work focussing on the specific areas , with a variety of mediums & techniques. This will allow students to develop their artistic vision & technical proficiency to create a strong portfolio for further scopes. They can work independently as an artist outside an academic environment.

FIRST TERM

<p>The focus of this foundation level drawing course is on perception, learning to see the subject & objects in space and translating the surrounding reality with line & shading. Exercises & assignments focussing on volume, perspective, proportion and composition as a way to translate what is seen into the two dimensional surface. Students work with the model, still life and natural surroundings. This course is designed to prepare students for future drawing courses where they begin to look at how form and content work together.</p>	About Fine Art	Charcoal Technique
