## Dear Literacy Advocates,

We're excited to invite your library to participate in Disability Book Week (DBW), taking place April 19–25. This week is dedicated to celebrating and promoting disability-inclusive literature that authentically represents the diverse experiences of individuals with disabilities.

There are numerous ways to celebrate Disability Book Week in your library and we hope some of these ideas help light a spark of inspiration to help implement DBW in your library.

Here are a few easy options to choose from:

- Create a book display highlighting disability-inclusive stories
- Invite a disabled author or an author whose work includes disability representation for an author event
- Use our vetted book list to add inclusive literature to your catalog
- Share the attached DBW flyer with patrons or utilize the attached tabletop sign next to a book display (more free items located on the website)
- Mention Disability Book Week in your Newsletter
- Follow us on social media in order to get more ideas and book recommendations
