# THE WORLD OF OZ

## About the Show

Welcome to The World of Oz. Inspired by some of our favourite moments from The Wizard of Oz, The Wiz, Wicked, and Return to Oz, this heels-forward showcase invites you to journey somewhere over the rainbow and beyond.

Presented by the dancers of Maven Movement, The World of Oz blends performance, sass, and a touch of mischief into an evening of celebration. Along the way, you'll encounter familiar faces, unexpected twists, special guest performances, and a few surprises from beyond the tornado.

Our opening number also pays tribute to a very special chapter in our history—an ode to the Army of Sass production of Oz in 2017.

So click your heels together, follow the yellow brick road, and enjoy the adventure.

**Guest Performances by:** Christahh, Ana & Amalia | Phoenix | Ella Doney as Leo Jett
