Fettuccine Primavera

Ingredients:

Makes 4 Servings

- Bowl & Basket Fettuccine Pasta, 8.8 oz
- 1 Red Onion, peeled and roughly chopped
- Fresh Red Onion
- bunch asparagus, ends trimmed and chopped
- 1 pint Bowl & Basket cherry tomatoes, halved
- 1 small Zucchini, cut into bite sized pieces
- 1 container refrigerated Bowl & Basket alfredo sauce
- Parmesan Cheese, for serving

Directions:

1. Bring a large pot of salted water to a boil over medium high heat. Once boiling, add pasta and cook according to package directions. Drain.
2. While waiting for the water to boil, saute the onion and asparagus in 2 tsp olive oil for about 5 minutes, then add in cherry tomatoes and zucchini and cook for an additional 5 minutes or until the veggies are tender but not overcooked.
3. Add drained pasta to the skillet with the cooked veggies; stir in the alfredo sauce and toss everything gently to coat.
4. Serve with grated parmesan cheese if desired.

KINSLEY'S SHOPRITE

Outstanding Customer Service

Don in Doris's Cafe, is excellent. You can see how busy he is and yet he will answer your questions and make you feel important. I will definitely go out of my way to shop at Kinsley's ShopRite.
Respectfully, Terry V.

American Legion Celebrates 9/11

American Legion Post 927 Commemorates the 25th Anniversary of 9/11. Thank you to the members of the community, West End Volunteer Fire Company Station 43, and American Legion Members for attending. Last year, I told my 9/11 story at that commemoration. It was an honor to be asked to share my experiences during the time since, at this year's event.

Phantom Security Services

By: David Manento Jr.

Fire Prevention Month! "Every Moment Matters!"

The National Fire Protection Association (NFPA) named the second week of October Fire Protection Week in commemoration of the Great Chicago Fire in 1871. Today, we celebrate Fire Prevention Week and Month in October by sharing fire safety tips, raising awareness, and educating families, students and communities across the US with help from our partners and local fire departments.

Did you know installing reliable detection and being proactive is important to help keep you loved one safe from a fire or a carbon monoxide (CO) emergency. Almost 3 of every 5 home fire deaths resulted from fires with no smoke alarms or no working smoke alarms (NFPA).

Carbon Monoxide is a leading cause of accidental poisoning in the US. Unattended cooking is the #1 cause of fires (NFPA). A fire department responds to a fire every 24 seconds in the US.

Help Protect Every Moment:

Phantom Security Services has become the most trusted brand in fire safety by providing homeowners with reliable fire and carbon monoxide safety products. We urge you to practice whole home safety, so you and your family are prepared no only during 2026 Fire Protection Month, but throughout the entire year. Having smoke and carbon monoxide detectors installed throughout your home is a vital piece of fire safety month and is your first line of defense. They work around the clock to provide your family with an early alert in the event of an emergency. Helping to give you time to safely escape. Smoke and CO alarms should be installed on every level of the home, including the basement, as well as inside and outside each bedroom for whole home detection. Maintain alarms by testing them regularly, changing the batteries every 6 months and replacing alarms at least every 10 years.

Also be prepared with fire extinguishers to help stop small fires from causing more damage. They should be kept easily accessible on every level of the home, especially in the kitchen and garage. Ensure you know how to operate a fire extinguisher before needing to use one.
