Recipe of the Month from Kinsley's Shoprite

Churrasco with Chimichurri

Smoky, juicy, and bursting with zesty heat - this grilled steak with fresh chimichurri is a flavor-packed masterpiece. The citrusy marinade tenderizes the meat while the garlicky herb sauce brings bright, bold balance to every bite. A backyard grill never felt so gourmet.

Shop Ingredients:

Makes 6 Servings

- 2 lb. Skirt Steak
- 12 Garlic Cloves, divided
- 2 cups Orange Juice (freshly squeezed if possible)
- 1 1/2 cups Bowl & Basket Olive Oil, divided
- 1/2 cup Water
- 2 Serrano Chiles, de0seeded and chopped
- 2 cups Roughly Chopped Parsley
- 2 tbsp Bowl & Basket Red Wine Vinegar
- Zest and Juice from 2 Limes
- 1 tsp Red Chili Flakes, or more/less if desired
- Salt, to taste
- Pepper, to taste
- Badia Lemon Pepper, 24 oz

Directions:

1. First, make the marinade. Combine 6 garlic cloves, orange juice, 1/2 cup of the olive oil, water and chiles in a blender or food processor and blend until smooth. Add steak to a container with a lid (or a ziploc bag) and add the marinade. Top/seal container and place in fridge for 1 hr to marinate.
2. Make the chimichurri: Combine the remaining 6 garlic cloves, 1 cup olive oil, red wine vinegar, parsley, lime juice and zest and red chili flakes in a food processor and pulse until chimichurri is desired consistency. Add salt and pepper to taste.
3. When ready to cook steak, preheat the grill to 450 degrees and oil the grill grates. Remove steak from marinade and pat dry. Season with salt and pepper on each side, then grill to desired level of doneness, about 2-3 min per side for medium. Remove from grill and cover loosely with foil to rest.
4. Serve steak with chimichurri sauce.

Gentle Spirit Martial Arts

This August, the Gentle Spirit Martial Arts students tested to progress to their next color belt rank and a few pretested in preparation for their black belt test in September. In addition, one of our students recently represented our school at Nationals in Florida. We are so proud of all of our students and wish them the best as they continue their martial arts journeys.

O. box 162 Brodheadsville, Pa. 18322

September is Preparedness Month

Each September, National Preparedness Month encourages and reminds Americans to be prepared for disasters and emergencies in their homes, businesses and communities.

Homeowners, families, communities and businesses can use this opportunity to find ways or help others understand more about preparing for disasters and reducing risks to health and environment.

How to Report Emergencies:

- Call 911 if you are in immediate danger, or if someone is injured, has trouble breathing, or is unconscious.
- To report oil, chemical, or hazardous substance releases or spills, call the National Response Center at 800-424-8802.
- For pesticide poisoning, call Poison Control at 1-800-222-1222. If you use a mobile device, follow <http://twitter/epa> for updates and information.

Individuals and Homeowners:

Know ahead of time where you would run a generator. Generator exhaust is toxic and can sicken or kill you. Always put generators outside well away from doors, windows, and vents. Never use a generator in a home, basement, garage, crawlspace, tent, shed, or any other indoor or enclosed area. Carbon monoxide is deadly, can build up quickly, and linger for hours.

If your drinking water is from a private well, know your state or local contacts for inspecting the safety of your drinking water after a flood. Keep at least a 3-day drinking water supply per person and don't forget pets. If your home is on a septic system, know whom to call to have it inspected after a flood.
