- 1/4 cup Bowl & Basket extra virgin olive oil, divided
- 1 8oz package Bowl & Basket sliced baby bella mushrooms
- 1 pint grape tomatoes, halved
- 2 tsp Minced Garlic
- 12 oz Bowl & Basket baby spinach
- 1/4 cup Bowl and Basket cream cheese
- 1/4 cup chicken stock
- 1/4 cup Bowl and Basket Parmesan cheese
- 1 package Bowl and Basket Specialty Haddock Fillets, thawed
- 1 Lemon, halved
- Bowl and Basket Salt and Pepper, to taste

**Directions:**

1. Heat 2 tbsp olive oil in a large skillet over medium heat. Add mushrooms and saute until browned, 4-5 minutes, then add in tomatoes.
2. Saute an additional 3-4 minutes or until tomatoes have softened slightly, then add in garlic and baby spinach and cook until all spinach has wilted, about one minute more.
3. Stir in cream cheese and stock and stir until smooth, then stir in parmesan cheese and cook for an additional minute or until the cheese has melted. Season with salt and pepper to taste.
4. Meanwhile, in another skillet, heat remaining oil over medium heat. Squeeze lemon juice over haddock fillets and season with salt and pepper, then cook 4-5 minutes per side in the preheated skillet until fully cooked and opaque. Serve fish immediately over the spinach florentine sauce.

PVE Students for Academic Achievements

Huge shoutout to our amazing PVE students! This week was all about celebrating your incredible academic achievements with some fun Lailio and Reflex Parties! It's been fantastic to see so many of you shine while using Lailo and Reflex this school year. Keep up the fantastic work!

PVI Math Escape Room

Our PVI's Math Escape Room was held Thursday night! Students, along with their families used their math skills to try and find pirate treasure. They only had 30 minutes to complete the challenge of putting together all of the math clues designed by PVI math teachers! Some succeeded, some walked away without the pirate treasure!

We proudly honor Gold Star Families and the families of the fallen—brave men and women who made the ultimate sacrifice in defense of our country.

Our Military Affairs Department holds an annual breakfast and memorial service ceremony for these families on race day morning, honoring those who sacrificed their lives for our Freedom.

Families then enjoy a day at the races.

The Security Advisor Do You Know the Rules of the Roundabouts?

Modern roundabouts reduce severe crashes at intersections by an average of 80%. Roundabouts are safer and more efficient than traditional intersections.

Remember the following safety rules for driving in roundabouts:

1. Yield to traffic/pedestrians in the roundabout.
2. Go counter-clockwise
3. Don't change lanes in the roundabout
4. Signal your exit
5. Don't panic if you miss your exit
6. Give trucks and other large vehicles space
7. Stay off the center circle

Going slower provides more time to make decisions and be better prepared to yield to other road user. By entering the roundabout at a slower speed, crashes that do happen are much less severe. Slowing down helps drivers do a better job seeing pedestrians and bicycles and sharing the road with them.

Drivers should choose the lane for where they want to go after the roundabout. Signs and markings help them select a lane. Look around and check the crosswalks to see if anyone is waiting to cross or is already crossing.

Drivers should yield to traffic in all lanes of the roundabout, not just in the lane closest to them.

For more information regarding roundabouts and driving circles, contact the PA Dept. of Transportation.
