

Just What Our Community Needed

The Cruisers Sun City Summerlin Car Show

If someone had asked me to picture a perfect Spring Day, I would have said the following. Temperature in the 70's, background music that reminded me of my youth, delicious food, lots of friends. And of course, some awesome cars.

Somebody up there likes me! That is just what I was given on Saturday April 25th at the Cruisers Sun City Summerlin Inaugural Car Show. Fifty friends with fifty cars, some old, some new. Six months of planning had paid off. *Music?* Bill Trapp, (our neighbor) The Jukebox DJ provided those nostalgic memories. *Food?* Marvin and The Summit furnished the Tacos & Dogs. *Friends?* Over 600 of our (curious) Sun City Summerlin neighbors joined us, voting for their favorite cars while enjoying a wonderful Spring Day. In fact, 20 of them joined our club as our membership has now grown to 87. Don't forget the LVMPD & Las Vegas Fire & Rescue joining us with a Cybertruck tactical vehicle & a 1974 Dodge Coronet squad car and a fire truck with crew.

What a great way to spend a beautiful Spring Day.

The following cars were voted "Best in Show":

- John Owens / Julie Larson – 1959 black & White Corvette
- Clete Meyer / Bev Hagadorn – 1957 "Dusty Rose" Thunderbird
- Tom Thompson – 1957 Red Chevrolet Bel Air

Seeing the smiles on both our members' faces and those of our guests, The Cruisers Sun City Summerlin Car Club will soon go back to the drawing board and begin to plan for Show #2.
