

Cruisers Car Club

A Letter of Thanks to the Sun City Summerlin Community

On behalf of the members of the Cruisers of Sun City Car Club, I would like to take this opportunity to say **THANK YOU** to our many friends, neighbors & volunteers that helped us plan, execute, and most of all **ENJOY** our very first Club Car *Show & Shine* event this past Saturday, April 25th, at the Pinnacle Community Center.

To coin an expression, "It takes a village". We sometimes take for granted the day to day input we receive from those around us. Our club truly appreciates the guidance, support and friendship we have received, and would like to recognize the following;

Melissa, Irene and their colleagues in the SCSCA offices, who kept us focused on meeting established club guidelines while also providing us with the necessary support to pull this show off.

Cynthia, Ramon & Ezekiel from the Facilities team, with the timely support the club required leading up to and day of the show.

Marvin Calorera – Director of Food & Beverage and his team for providing food service for purchase AND providing club members with coffee early on a chilly morning.

Norman Wright, who joyfully took pictures, movies and drone shots during the show.

Bill Trapp, friend, neighbor and THE JUKE BOX DJ. Those songs from the past reminding us all of days gone by. Much appreciated.

Jessie Miles, Fitness Department, who is a great person and very helpful in every aspect.

Gail Abrams (The Link), what can I say? Always there to provide guidance & support.

Mitzi Mills our Communities Executive Director. Loves cars, but more important, loves our community and its homeowners.

And especially, Randy Klenosky, Crime Prevention Specialist at Summerlin Area Command [SAC] who coordinated the presence of an old 1974 Dodge Coronet Squad Car & a new Tesla Cybertruck Tactical Unit, along with THE AWESOME MEMBERS of both the SAC Las Vegas Metro Police Department and the Sun City Summerlin Las Vegas Fire & Rescue team who joined us.

BUT MOST OF ALL, thank you to the over 600 residents who joined us on Saturday to celebrate beautiful cars, new & old friendships, and bringing us closer together as a community.
