This upcoming weekend, Mother's Day will be celebrated all across North Texas, but that isn't the only big event going on this weekend. The much anticipated **21st Annual AER Manufacturing Dallas Spring Nationals Classic Car Show** is Saturday morning May 7, 2011. Some of the coolest cars and trucks in North

Texas make their way to this car show every year.

If you are looking for a great way to spend the day before Mother's Day, the AER Car Show is the place for you to be. It's free to walk around and look at the beautiful vehicles or you can enter your car, truck, or motorcycle in the show for \$20. Entering a vehicle in the show will make you eligible to win great door prizes and unforgettable trophies. All proceeds will benefit children with medical disorders.

The weather forecast for the weekend looks pretty good and is a great opportunity to clean up your car or truck and bring it out to the AER Car Show to start off the Mother's Day celebration. There are usually some very unique cars and trucks at

this show that aren't usually seen everyday in the DFW area.

Remember to set your alarm this Saturday May 7th so you won't miss a minute of the car show. The show is open to all cars, trucks, and motorcycles and there are more than 30 classes to enter in. Registration is from 8 to 11 am and the show runs from 12 to 3 pm. The **21st Annual AER Manufacturing Dallas Spring Nationals Classic Car Show** is located at 1605 Surveyor Blvd., Carrollton, Tx. If the sometimes crazy Texas weather decides to rain on May 7th, the Rain Date for the show is May 14, 2011. For more information visit **www.aermanufacturing.com** and remember to practice good **car show etiquette**.
