

### **Warranty:**

Bigfoot Precision Components provides a limited 1 year warranty on parts and components. The warranty does not cover normal wear or user-initiated damage and/or loss of parts incurred during operation or use of product.

### **Refunds, Credits and Balances Due:**

As soon as Bigfoot Precision Components receives and processes your return, we will notify you via email. Your credit card should be credited within 10 business days of the time that you receive this email. The return credit should be reflected on your statement within one or two billing periods, depending on your financial institution's billing cycle.

### **Return Policy:**

If you are not satisfied with the condition and/or performance of the item you purchased from us, you may return it in unused condition within 30 days from ship date for an exchange, credit or refund.

Contact Bigfoot Precision Components at [bigfoot-precision-components@outlook.com](mailto:bigfoot-precision-components@outlook.com) to receive a RETURN AUTHORIZATION NUMBER (RA#) and instructions.

When returning a product please provide us with the order number and reason for the return.

We will not accept returned merchandise without a RETURN AUTHORIZATION NUMBER (RA#).

Once you receive an RA# you may return the item in unused condition in the original box along with all product item accessories within 30 days for exchange or refund. Returns received without authorization will not be processed for refund or exchange. You must write the RA# given to you on the exterior of the box.

If RA# is not present product will be rejected. Please include invoice or packing slip inside the box for return/refund or exchange contact information. Shipping and handling is non-refundable.

Return via insured mail, UPS or FEDEX and save the receipt for your records.

Return shipping must be prepaid and is the responsibility of the returner.

We assume no liability for loss or damage of return item package.

### **Modification of Terms and Conditions:**

Bigfoot Precision Components reserves the right to change the terms, conditions, and notices under which their products are offered, warranted or sold.

### **Limitation Of Liability:**

In no event shall Bigfoot Precision Components be liable for any direct, indirect, punitive, incidental, special consequential damages, to property or life, whatsoever arising out of or connected with the use or misuse of it's products.
