

## AIRMED BENEFIT UPDATE

Starting April 1, the non-emergent air medical coverage provided by AirMed, will be limited to North America. This AirMed coverage is included for Rural Metro Fire members and their immediate household family members, as an additional benefit to a Rural Metro Fire membership. AirMed and Rural Metro Fire are part of the Global Medical Response family, the industry leader in air, ground, managed medical transportation, and community, industrial/specialty and wildland fire services.

As an AirMed Member, you and your loved ones will receive the following benefits. There are no co-pays, deductibles or out of pocket expenses should a member utilize any of the AirMed benefits. As a Rural Metro Fire Member, you are automatically enrolled for this benefit.

### BENEFITS INCLUDE

- **Non-emergent Air Medical Evacuation, for all North America travel** – Hospital-to-hospital patient transport within the United States, Canada, Mexico and other locations within the North American continent
- **24/7 Medical Services Hotline** – Members may request second opinion referrals, consultation and prescription assistance
- **Global Security Assistance** – AirMed's Global Operations Center offers security assessments and foreign travel advisories
- **Commercial Medical Escort** – When a medically equipped aircraft isn't required, AirMed will provide a nurse and first-class arrangements for any member needing medical assistance while traveling commercially
- **Transport of Mortal Remains** – AirMed coordinates and provides transportation of mortal remains

If you wish to upgrade your coverage to include ALL international travel, you have the option to upgrade your membership at a substantially reduced cost.

**INDIVIDUAL INTERNATIONAL PLAN**  
**1 YEAR – \$49.00**

**FAMILY INTERNATIONAL PLAN**  
**1 YEAR – \$99.00**
