

RURAL METRO

Knox County has designated Rural Metro Fire as the 911 Provider for your community's fire and medical first responder needs. If you ever need assistance, call 911 immediately, and Rural/Metro Fire will respond quickly for any emergency.

Rural Metro Fire Membership ensures that when you call 911, help will be there. Memberships offer funding needed to provide you the equipment, fire truck, training, gear, medical supplies, 18 fire stations, full time staff 24/7, and many more necessities to operate. We are here to protect you, your property, and your community. We hope you never need us, but if you do, rest assured you will be provided state of the art equipment and highly trained professional staff. Supporting Rural Metro Fire through our membership will guarantee you never pay a response fee when Rural Metro Fire is dispatched to your business or in the event of a Motor Vehicle Collision.

Knox County property taxes do NOT pay for Fire Service, therefore, property owners must subscribe individual properties on an annual basis to avoid service fees.

Supporting Rural Metro Fire through membership will save you money should you ever experience a response to your property. Unsubscribed property owners pay for Fire Department services at the rate of \$1800.00 per hour per apparatus. Minimum cost of a structure fire is \$9000.00. Please note that hourly fees are not covered by most insurance policies.

A Rural Metro Fire service agreement is enclosed. Please sign, date and return the contract with your payment to our Account Executive. You can also establish today by calling our Account Executive at 865.371.7495 or via email at mike.walker@gmr.net.

We offer many services to our members in addition to fire response, including free Pre-incident planning, CPR and First Aid training, and Fire training courses such as Extinguisher and Fire Safety for employees for your business.

Rural Metro Fire has protected the lives and property in Knox County since 1977. You can be confident that we will provide the best care and service for your residents and peace of mind for their family.

Thank you,

Michael Walker
