HENTHORN REAL ESTATE

Description

Discover this ultra-energy-efficient 4-bed, 2-bath home with an expansive feel and modern layout! The open-split floor plan maximizes space, creating a bright, inviting atmosphere. The stylish kitchen overlooks the family room and includes 36" upper cabinets, Whirlpool appliances, with spacious breakfast bar accommodating up to six barstools, ideal for family gatherings. A cozy breakfast nook and an interior laundry room add convenience to daily life. Relax in the generous living area, designed for comfort and versatility. The master suite offers a 36" vanity with double sinks, while the home's design shines through architectural details like vaulted ceilings, plant shelves, Tall baseboards, and arched two-panel doors. Make this dream home yours today!
