What sets us apart?

Our Story

Sendtivate was founded by a group of individuals who saw a need for quality community support services. Over the years, we have grown and expanded our services to meet the needs of our community.

At Sendtivate, we believe that everyone deserves access to quality community support services. We approach each client with compassion, respect, and empathy, and strive to create a safe and welcoming environment for all.

Our Mission

1

Our mission is to transform the lives of hundreds of children and young people with SEND each year.

2

Creating opportunities to take part in life-skills activities within the local community.

3

Developing greater independence and confidence in life.

4

Helping to empower children and young people to apply the skills they have gained in everyday life.

5

Enabling children and young people reach their personal goals.
