DEPOSITS AND PAYMENTS

Once I have confirmed my availability, a security deposit must be sent (electronically) in order to reserve the session requested. This deposit is deducted from the total cost of the session. Please note this deposit is non-refundable and is non-transferrable. Deposits must be sent by Zelle.

On the day of the contracted event, the balance due must be paid before the artist(s) leaves. Dates will not be reserved without deposit.

*If for any reason the artist cancels at any time or is unable to perform artist's duties, the deposit will be fully refunded by the same electronic method

TRAVEL FEES

Travel fees will vary depending on the location. A travel fee considering gas, mileage and tolls acquired while in route to the desired location, will be added to the remaining balance. Any venue fees acquired upon arrival to the venue will be added to the remaining balance due, such as valet service, metered parking fees and resort fees. If there is more than (1) artist providing service, the travel fee as well as venue fees will be multiplied by the number of artist attending the event

CANCELATIONS

Reimbursements will depend on the time between the date of the cancellation request and the date of the event. If a client choose to cancel 90 days before the event, a full refund will be dispersed. If a client choose to cancel 60 days before the event, a partial refund of 50% of the deposit amount will be reimbursed.

If a client choose to cancel 30 days before the event, a partial refund of 20% of the deposit amount will be reimbursed. If a client cancel any time after the 30 days before the event, client forfeits all payments.
