

**Jenny Luca**

Head of ICT Innovation and Learning – Camberwell Grammar School, Melbourne, Australia.

Jenny Luca is Head of ICT Innovation and Learning at Camberwell Grammar School in Melbourne, Australia. She has been a teacher for 32 years with experience across all Australian education sectors and is fascinated by the potential that exists for leveraging new technologies for learning outcomes in education today. She is currently exploring the potential of Blockchain technology and is a member of the Credentialing Working Group supporting Australia's National Blockchain Roadmap Steering Committee. Jenny has delivered Keynotes on numerous occasions within Australia and overseas and has also been a TEDx Melbourne speaker.
