Discover the Timeless Beauty of Natural Stone

“Building with natural stone is like weaving a story with the Earth’s own tapestry, creating a harmonious blend of beauty, strength, and timelessness.”

Welcome to Melissa and Ross, where elegance meets nature in our exclusive natural stone line. Our collection features exquisite stones sourced from the rich landscapes of the United States, including stunning domestic quarries, alongside an array of imported selections from the vibrant shores of India.

Explore a wide spectrum of natural stone options, showcasing a kaleidoscope of colors from pristine whites to deep blacks, and everything in between. Our stones are available in various shapes and formats, perfect for any project or design aspiration. Whether you are looking to create a serene indoor retreat or an impressive outdoor space, our natural stone offerings are designed to inspire and elevate your environment.

In addition to our natural stone collection, we are excited to introduce our new thin brick line, crafted from high-quality clay molds. This innovative option provides an affordable and versatile way to incorporate the classic charm of brick into your designs. With our thin brick, you can effortlessly create a stunning combination of natural stone and brick, enhancing the aesthetic appeal of your spaces while maintaining a budget-friendly approach.

Join us in embracing the beauty of nature with Melissa and Ross—where quality, craftsmanship, and sustainability converge. Transform your vision into reality with our exceptional range of natural stone and thin brick products.
