

Pacific Northwest Goldadors Puppy Application

At Pacific Northwest Goldadors, we take great care in planning each litter to ensure our puppies are the perfect fit for the families on our reservation list. Every puppy is thoughtfully matched based on your family dynamics, activity level, and what you're hoping for in a companion.

Please complete this application thoroughly. Copy and paste it into your email and email it back to me at karin.almer7@gmail.com. Once it's reviewed, I'll reach out to schedule a phone call so we can discuss any questions you may have, talk more about our puppies and program, and get to know each other as well.

Following our conversation, if you decide to move forward, you'll be invited to secure your spot on our reservation list with a \$300 non-refundable deposit.

Rest assured, if you place a reservation before puppies are born and your desired sex isn't available, you may either switch to the opposite sex or transfer your reservation fee to the next litter. The choice is yours but must be made once the puppies are five days old.

Thank you for considering one of our puppies. We hope you'll join our pack!
