top 20

Week 8 proved to be another easier week with the avg correct tallying 8.74 making it the 2nd easiest week this year so far. However, there was some movement in the rankings as some of the leaders had weeks worse than the average. Tony Myers vaulted to the top of the leader board and is now tied with Lee Glaze. They have a 1 game lead over Larry Gamble who sits in 3rd alone. Glyn Bethune, Jerry Jackson, David Rankin and Lyle Wescott are all T4 and only 2 games back. Harold Nixon sits only 3 back and Chip Chase looms at only 4 back. The end of the year winning score is usually between 62-67% correct which means that everyone is still in it. The Top 20 after Week 8 are:
