top 20

After a great week, Larry Gamble vaults into a tie for the lead with Wayne Hogon. Lee Glaze and Jerry Jackson are T3 and one game back and Harold Nixon is holding down the final spot in the top 5 and is 2 back. Glyn Bethune, Chip Chase, Justin Logan, Tony Myers and Lyle Wescott round out the top 10. They are all 3 games back. With many ranked games on the list this week, it should be interstesting to see how everyone fairs. Picks tend toonly get tougher from here as the end of the year winning score is usually between 62-67% correct which means that everyone is still in it. The Top 20 after Week 6 are:
