top 20

Week 10 was another week where the rankings got shuffled. The avg correct tallying 8.25. Quite a few prognosticators took advantage of the easier week. Glyn Bethune wasn't phased and maintained her perch at the top by one game over Tony Myers. Larry Gamble, Jerry Jackson and David Rankin are all T3 and only 2 games back. Lee Glaze slipped again after another marginal week and is now in 6th alone and only 3 games back. Chip Chase, Harold Nixon and Dean Pack are T7 and only 4 back. Many are still with striking distance with only 3 weeks left in the regular season and the bowls/playoff. The Top 20 after Week 10 are:
