

## List for Plein-air painting

Pochade box with tripod or portable easel (Hobby Lobby usually has a selection)

Rolling milk carton (Office depot, Jerrys, maybe Walmart) or suitcase or some way to transport your materials

Vine charcoal

An assortment of pastels (all you can figure out how to pack into your wheeled system)

A viewfinder if you have one / we will be using our cell phones to help with composition too

Handy wipes or baby wipes

Small sketchbook and pencil

Chair or stool if you like to sit to paint

Brush for removing pastel from paper

Sanded paper mounted on foam core or ampersand board or sanded paper taped on foam core

It's usually better to limit the size to 12x16 for outdoor painting

Hat with a wide brim in front

Might need to have sun screen and bug spray

Optional – canned air from office supply store
